WARNING! DAMAGE DUE TO DIRTY DIESEL/WATER WILL BE CHARGED FOR.

Any damage to tracks will be charged. Concrete splashes will be charged to be removed.

Please receive on hire plant/equipment as detailed subject to our terms and conditions of hire (C.P.A. Conditions), a copy of which is available on request.

- Acceptance of plant on site includes acceptance of our terms and conditions.
- Puncture repairs are the responsibility of the hirer.
- Any item not returned or returned in a damaged condition will be charged to the hirer, including repair of tyres punctured/damaged on site.
- You are responsible for the supply of all fuels and lubricants.
- Lubrication must be carried out regularly and properly in accordance with manufactures recommendations. Damage resulting from lack of or incorrect lubrication will be charged to the hirer.
- You are to insure for full replacement value, and you and your insurers are responsible for any loss or damage.

COMMENTS:

ALL PLANT WILL UNDERGO A FULL INSPECTION ON RETURN TO DEPOT.
