1. Acceptance of plant on site includes acceptance of our terms and conditions.
2. Puncture repairs are the responsibility of the hirer.
3. Any item not returned or returned in a damaged condition will be charged to the hirer, including repair of tyres punctured/damaged on site.
4. You are responsible for the supply of all fuels and lubricants.
5. Lubrication must be carried out regularly and properly in accordance with manufactures recommendations. Damage resulting from lack of or incorrect lubrication will be charged to the hirer.
6. You are to insure for full replacement value, and you and your insurers are responsible for any loss or damage.

COMMENTS:

ALL PLANT WILL UNDERGO A FULL INSPECTION ON RETURN TO DEPOT.

SIGNED BY THE HIRER.....
